On behalf of all the members of the James M. Slay Detachment I would like to thank you for your contribution to our Flag Day event. The performance by the bagpipes and drums was nothing short of exceptional. The musical selections were very moving, especially the performance of Amazing Grace. The generosity demonstrated by your group in giving of your time and efforts to perform for our Flag Day Patriotic Celebration were instrumental in the success of this event. This event was created to benefit the Virginia War Memorial and to provide funds for the Virginia Wounded Warrior Program. Through assistance such as yours we were able to meet our goals of assisting these two worthwhile causes. The Virginia War Memorial received a year's worth of service flags with remaining collected funds being donated to the Wounded Warrior Program.

Once again thank you and we look forward to the opportunity to work with the St. Andrews Legion of Pipes and Drums on our next event such as this. It was an honor and a privilege to work with you in this cause.

Semper Fidelis,
